

# Recommended Timings For Day Weddings

## **10.00am** - Arrive at TTE

Arrive anytime from 10am.

The Meadow Room is available to put on outfits when you arrive.

## **11:00am** - Guests and Registrars

Guests (if applicable) can arrive and will be shown to the Nest.

The Registrars will arrive and will need to chat with you both to check details (this can be together or separately).

## **11:30am** - Ceremony in the Nest

We recommend an 11:30am ceremony to maximise your time with us at TTE.

## **12.00pm** - Pop the Fizz

After your ceremony we'll pop the prosecco at the Meadow Room, you can then enjoy the grounds and have photos taken.

## **1.30pm** - Relax and Celebrate

Relax and enjoy your celebrations. If you've arranged a light bite with Justine Wood Catering for your afternoon celebrations, this will be served at the Meadow Room.

## **3.00pm** - Depart TTE as newlyweds

If you'd like to carry on your celebrations, we have great recommendations for pubs and restaurants close by.

We look forward to welcoming you for your intimate wedding day
